

Launch Your Critique Group

Get your new writing group off to a positive start.

Leslie Adkins will facilitate the first two sessions.

In the initial meeting, she will offer basic instructions for running a successful Critique Group. The group will decide on meeting format and length, basic group rules, and general housekeeping issues. At the second meeting, Leslie will conduct a model session, which will include manuscript evaluations, to prepare the group to continue on their own.

Contact Leslie at 425-775-7346 or lesliejadkins@live.com
